BIOGRAPHY

Ibiza 2026 places Rob Roar at the centre of some of the biggest stages on the planet, with performances this summer for **Claptone at Chinois**, **Andy Manumission Presents at 528**, **Pikes Ibiza & Wild Comet [UNVRS]**, positioning him firmly at the heart of the island's most in-demand events.

Renowned for his dynamic live sets and global chart-topping productions, Rob has built a reputation as a hit producer, DJ and label owner shaped by Ibiza's underground electronic music scene.

With releases across some of the world's leading record labels, including **Sony, BMG, Universal, Island Records, EMI, Virgin, Ministry of Sound, Positiva, Ultra, AATW, Spinnin and Armada**, his productions have achieved international chart success and global recognition, attracting collaborations with artists including **Sir Tom Jones and Boy George**, as well as earning **double platinum BPI certification**.

Known for his forward-thinking, energy-driven sets, Rob has delivered **much talked-about performances at leading clubs and festivals worldwide**, including recent standout vinyl sets at **Clockwork Orange (Es Paradis & 528 Ibiza)**, reinforcing his reputation as a DJ's DJ.

As founder of **Phonetic Recordings**, he has nurtured and delivered artists and records that have become staples of the international house scene. His productions include **multiple Beatport No.1s**, with releases such as **Rob Roar's Ibiza Night & Day Albums'** and **Wild Life**, alongside chart success across global platforms and major music TV channels, with LIVE performances at the seminal closing parties of Ibiza's most iconic nights.

His **Counter Culture Radio Show** broadcasts monthly on **Mambo Ibiza Radio** and is syndicated across FM and digital platforms worldwide.
